PATIENT CANCER CARE IMPROVEMENT

ABOUT US

We are a group of local people affected by cancer who are passionate about making a difference to local service by using our experience as a cancer patient or loved one to co-produce new initiatives with health industry professionals. We meet for two hours one afternoon a month to discuss local issues, meet with professionals and lead service improvement projects.

WHO CAN JOIN?

Anyone affected by cancer at any time in the Fylde Coast (Blackpool, Fylde and Wyre). This includes people who have had a diagnosis themselves as well as carers, family members and loved ones.

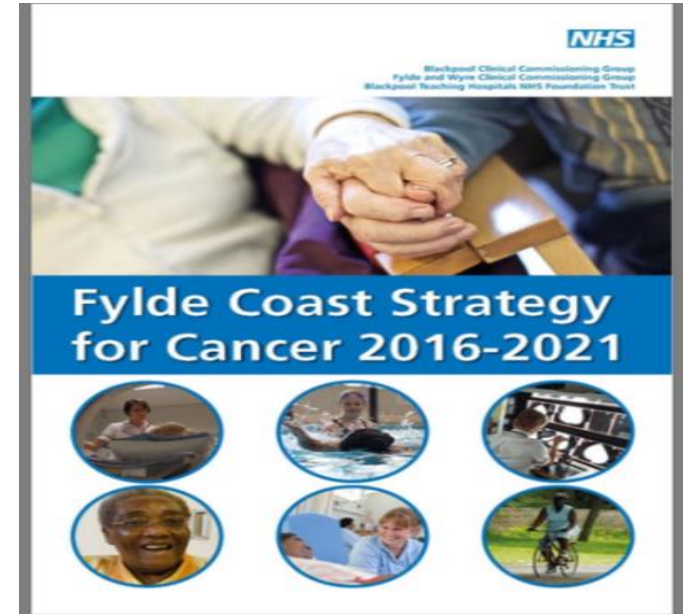

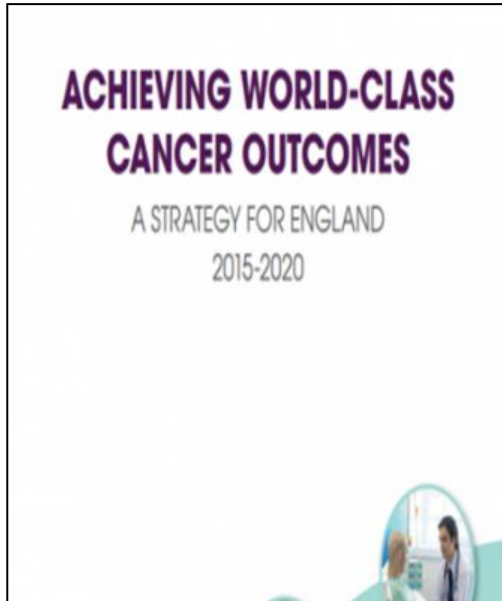

HOW TO JOIN

If you would like to join the group, please contact the Macmillan Information Centre (01253 955710) or email lucy.mitchell@nhs.net. You are welcome to sit in on a session before you commit to join.
