Working with GP's

We have worked with 2 GP Surgeries training.

1 in Cardiff

1 in the Vale of Glamorgan.

We set up some BSL training for the staff.

We will now make a film that we can put on You Tube for GP's staff to use.

On going training

A programme of Basic BSL training commencing in December 2018 with 120 staff in total

Meet and greet volunteers

Information centres

Simple phrases in BSL

On line level 3 training available for staff who wish to use it

Use of the information screens-things in BSL, subtitled and audio where possible

Stories from patients

BSL Charter

In May the Health Board will join with the Deaf Community to sign the BSL Charter

- 1. Ensure access for Deaf people to information and services**
- 2. Promote learning and high quality teaching of British Sign Language (BSL)**
- 3. Support Deaf children and families**
- 4. Ensure staff working with Deaf people can communicate effectively in BSL**
- 5. Consult with the local Deaf community on a regular basis**
